Venue: A Building, 2nd Floor Electronics Engineering(VLSI D&T) Department, CSMSS CHH. Shahu College of Engineering, CHH. Sambhajnagar 431001(M.S)

Goal: To create awareness about cleanliness, hygiene, and environmental responsibility among students and staff.

Objective: The main objectives of the Event are as follows:

1. To promote the importance of cleanliness and hygiene in the college campus.
2. To encourage students to actively participate in Swachh Bharat Abhiyan.
3. To develop a sense of social responsibility and teamwork.
4. To maintain a healthy and sustainable environment.
5. To instill discipline and good habits in students regarding cleanliness.

About the Event:

The Cleanliness Drive was organized by the Department of Electronics Engineering (VLSI D&T) on 1st October 2025 (Wednesday) under the guidance of Head of Department Dr. Shrikant J. Honade Sir and faculty members. The overall drive was successfully coordinated by NSS student Team and NSS Co-ordinator Mr. T. A. Mohije and Mr. P. N. Kathar.

1. The event began with a short address by HoD Sir, highlighting the importance of cleanliness for a healthy life and better academic environment.
2. Students and faculty were divided into groups to cover different areas of the department premises, classrooms, corridors, laboratories, and surrounding campus.
3. The activities included:
 - a. Sweeping and dusting classrooms and labs.
 - b. Collecting plastic waste and segregating dry/wet waste.
 - c. Cleaning notice boards, benches, and equipment areas.
4. A few students delivered short speeches on the importance of Swachh Bharat Abhiyan, inspiring everyone to contribute regularly to cleanliness.
5. The drive concluded with a pledge on cleanliness, where all participants promised to maintain personal and environmental hygiene.

The program ended with a vote of thanks by the faculty coordinator, appreciating the active participation of students and the support of staff members.
